## 2018 Student Expenses

Student expenses can be paid at the office by cash, cheque or EFTPOS. Internet banking is available and automatic payments are encouraged, especially for end of year camps.

### Donations

Any donation helps to purchase art, sporting and classroom equipment and subsidises a range of activities, including special cultural, musical, and sporting experiences that would not otherwise be possible. Without donations, we may not be able to afford many of the special experiences that enrich our student learning.

As a guide, we suggest an amount of \$20 per term for a donation, but you are most welcome to donate more or less if you wish.

### Optional Activities

Throughout the year all students have the opportunity to take part in various optional outings, activities, visits, shows and purchases. A note will be sent home before the event with details of the cost. These should be paid to the office. If you have an automatic payment or family account, your account can be used to pay for activities.

Technology Contribution (Y7 & Y8 only)	\$16 per term (\$60 if paid in Term 1)	Year 7 & 8 students attend Technology training at Manukorihi Intermediate for an afternoon every week. This contribution is towards transport and some materials.
Year 5&6 Activities Week	Up to \$200 per child (subject to fundraising)	Year 5 & 6 have camp/activities week – usually in Term 4. A deposit will be required by the end of Term 2, with payment in full required by the end of Term 3.
Year 7&8 Camp	Up to \$400 per child (subject to fundraising)	Year 7 & 8 students attend a week long camp, usually in Term 4. A \$100 deposit will be required by the end of Term 2, with payment in full required by the end of Term 3.

### Sport (estimated costs)

Netball	\$50.00 per player
Basketball	\$50.00 per player
Miniball	\$20.00 per player
Hockey	\$45.00 per player
Inline Hockey	\$25.00 per player
Touch	\$20.00 per player
Cricket	\$20.00 per player

The cost of sporting activities varies depending on the sport and is set by the sporting body who oversees the competition. The teams we have depend on parent volunteers so may change. Fees are payable before the first game of the season. (The amounts here are based on 2017 costs so may be subject to change for 2018.)

A refundable bond may be charged for uniforms.  
Some sport uniforms will be available to purchase.

### Family Accounts: Why not spread the costs?

We encourage families to set up an automatic payment to help spread the costs – especially for camp. By setting up a Family Account with the School, your regular payments throughout the year means that things are paid on time and without worry. You can also use credit on your account to pay for things like calendar orders, lunches or stationery required through the year. Talk to Paula or Karen in the office about setting one up.
